Old Conquistadores, O brown priests, and all
Give us your ghosts for company when night begins to fall;
There's many a road to travel, but it's this road today,
With the breath of God above us on the King's Highway.

¶It is a glamorous and a lovely theme that has been selected for this year's Annual of the Chaffey Union High School. ¶El Camino Real, the King's Highway, must have been a fascinating trail in the golden age of California when the Missions were in their glory and the land was happy with peace and plenty, when there was the music of the anvil and the whirring looms, when there was the joy of work, the voice of prayer, and song and laughter filled the sunny mornings. ¶The same road is still for our feet to take, although we live in a world that has greatly changed since the days of the Missions. And the happiness that waited upon the road in the long ago for all who trudged it still waits for us if we shall care to find it. For, happiness is not a thing of time or place but something that the heart holds. It is a thing that can be in all our hearts if we will but put it there. ¶I am honored by the selection of my poem for inclusion in your Annual, and additionally so by the privilege of writing this Foreword. I look to Chaffey Union High to send great men and women out into this changing world with all its vexatious problems. It is one of the schools to which I turn hopefully for many great solutions.

John Steven McCroarty.

The ORANGE and the BLACK

To Chaffey's glowing colors, we owe allegiance true,
And forever we will cherish, our banner's glorious hue,
So we'll hail our radiant colors, nor honors shall they lack
While Chaffey stands defender, of the Orange and the Black.

Then all hail to dear old Chaffey, all hail her colors bright;
A cheer for her defenders, all honor to her might.
When we win athletic victories, on the football field or track,
We are working sure for Chaffey, and the Orange and the Black.

To our high school we'll be loyal, when we leave her honored halls;
Her spirit still shall guide us, where e're the future calls.
And we'll gain new faith and courage, as we turn our memories back
To those happy days at Chaffey, 'neath the Orange and the Black.

TO that friend of every Chaffey boy, whose broad smile, firm handclasp, and encouraging words have sent many an athlete to a winning score. IN MEMORIAM

I N memory of Mr. Fred Wilding and those others who have passed from our midst this year, we set aside this page as a monument of respect and

friendship. ☞ Mr. Wilding, a teacher of music at Chaffey for several years and a leader in musical organization for the community, was much revered for his undying faithfulness to the highest ideals of music and interpretation. His death was mourned as a loss of one of Chaffey's sincerest friends. The ideal precedents and traditions established in this community by Mr. Wilding have made an immortal monument to his life.

ADMINISTRATION

Successful administration of Chaffey high school and its branches in Fontana and Upland is the duty which has been largely laid upon our three leaders, Mr. Gardiner W. Spring, as superintendent, Mr. Ernest W. Fischer, as principal, and Mrs. Susan B. Mehl, dean of girls. The education of nearly fifteen hundred boys and girls with a faculty of reduced numbers during the period of financial depression and under rigid economy in all things has been one of the largest tasks of our administration. Regardless of the difficulties arising from depression economy, this administration by cooperating with government, taxpayer, and school board has been able to improve our institution by a program of expansion and gigantic development. This program has been carried out in the building of new buildings, reestablishing of night school courses, increasing of the size and value of lecture courses, and by the addition of new equipment, together with an expansion of the curricula.

BOARD OF TRUSTEES

Always striving toward a bigger, better, expanded Chaffey, the board of trustees with the ordinary funds supplied for its disposal has been able to not only maintain the standards of our greatest traditions, but have also been able to take advantage of the Federal and State offers to aid in the construction of new buildings on the campus. A new girls' gym has been completed on the campus, the George Chaffey Memorial Library is nearly completed, the condemned Liberal Arts structure has been destroyed and plans for the financing and construction of a gigantic new structure have been drawn up. Completing his sixth year on the school board, Dr. A. L. Weber has also to his credit two years of presidency on the board. Succeeding Mr. T. W. Nisbet as vice-president was Mr. J. L. McCutchen, who has been on the board for three years. Mr. N. E. Trautman and Mr. H. S. Barbee have been on the board for three years. Mr. N. S. Lawson has completed his first year as a trustee.

FACULTY

“Advancement” can well be said to be the motto of the Chaffey Faculty, whose faithful service and devoted attention to student and institutional progress is a betraying characteristic to be found in every product of their attempts. Contact between student and teacher in informal as well as through class formalities, has long been promoted at Chaffey as one of the greatest sources of intellectual understanding and fruitful inspiration. Teacher, student, and parent have been brought together on several occasions during this year. It has been said of the faculty that, “It is composed of the most intelligent and friendly group of teachers to be found in Southern California.” One of the most interesting features which have arisen from the inter-relationship between faculty members is the weekly faculty tea held in the library for informal discussion and for consideration of mutual problems. There are some members of the Chaffey faculties whose names do not appear here. Because of illness Mrs. Palmer has not been here this year. The others whose pictures are not in the following group are Mrs. Guthrie, Mr. Young, and Miss Mitchell of Fontana.

A GREATER CHAFFEY

Completion of the third year of the five-year plan of construction, started by Mr. Gardiner W. Spring soon after his inauguration as superintendent of Chaffey, has shown many changes on the campus. Two new buildings, the Farm Mechanics and Aeronautics, have been completed. The new girls' gym is very nearly completed and the construction of the new plunge adjoining it is being started. The George Chaffey Memorial Library will be completed for use during the next term of school. Plans for the construction and financing of a new Liberal Arts structure to replace the one which was razed following its condemnation as unsafe in case of an earthquake, have been made and it is hoped that work will begin during the summer. With labor supplied by state and federal funds, the Chaffey district has been able to finance the construction of these new buildings without a bond issue. However, the George Chaffey Memorial Library is being constructed with the interest on the money endowed by Mr. Chaffey for that purpose.

GIRLS' LEAGUE

At the beginning of the school year the Girls' league started its work by having representatives help the new students. Each new girl was given a big sister. Later the big sisters entertained the little sisters at a tea. During the football season pom-poms were made and sold by the girls. They also were in charge of decorating for every high school game held on the Chaffey campus. Cabinet meetings were held in the girls' clubroom once each month. There were several Girls league assemblies during the year. A convention is held each semester at which the league is represented by delegates. The fall convention was held in Los Angeles on November 9. Monrovia was chosen as the hostess school for the Spring convention, May 4. Tea was served each week at the faculty meetings. Tea for the mothers, sponsored by the league, were given for each class. On October 24 the freshman tea was given in the Chaffey apartment. On the seventh of November the sophomores entertained their mothers. The entire program was put on the boys of the sophomore class. Junior mothers were entertained on January 16. "Winter" was used as a motif. Mothers, bringing their sons or daughters, attended the senior class mothers' tea held March 13. The theme, "Spring," was carried out with decorations of early flowers and shrubs. At Christmas, donations were made by each adviser's group. These were assembled under a brightly-decorated Christmas tree in the auditorium, and later given for welfare work. Candy sales and funds raised during candy-wrapper week helped to fill the treasury. Due to the lack of cafeteria facilities the mother-daughter banquet was held in the gymnasium on March 29. Approximately 500 attended. The theme, "Holidays," was carried out with each table representing a holiday. The gymnasium was decorated with a canopy of bright streamers. Toasts to the mothers and daughters were proposed by Mary Davenport, Mrs. Robert Hoyt, and Miss Helen Judson. Entertainment representative of the holidays was furnished by each table.

I have enjoyed knowing you through out the year and I hope to see you next year.

STUDENT BODY

With "cooperation" as their motto all four of the classes bound together to make every phase of student body affairs spell "success" during the year 1934-35. Starting the football season off by trouncing our ancient rival, Pomona, the finest Chaffey football team in years easily reached the Southern California finals. After a hard-fought battle at the Memorial Coliseum in Los Angeles, the Long Beach "Jackrabbits" finally overcame the Chaffey "Tigers," ending the long pigskin season. The third annual Winter Extravaganza, put on by the student body was carried out in the theme and title of "Aladdin's Lamp." It was cleverly and successfully produced and thoroughly enjoyed by the students. The executive committee during the first semester marched a step forward by assembling together a new constitution which was presented to and passed by the student body. Taking over the duties of the first semester executive committee, the new officers of the second semester carried on with fine leadership. Their first achievement was to procure funds for a motion picture projector for the use of the student body. Following the calendar, we find in March the production of the best-acted and cleverest senior play given for many years. In April, Chaffey track men successfully proved their prowess by placing first in the annual Chaffey Invitational Track meet, against the competition of thirty other Southern California high schools. The month of May brought the second of the two lovely dances during the year. The theme was May day. At the first dance held in November, a football idea was carried out. To top these events was the success of the Junior fair. Summing up the year as a whole, recalling the many inconvenient complications and ruts Chaffey students found in the road and remembering the admirable way in which they overcame them, it is not hard to realize why Chaffey is such a wonderful school and why Chaffey students are outstanding.

SENIOR CLASS

During the past four years the graduating class of '35 has maintained high standards of scholarship and leadership. The class has been at the top in student, athletic, and agricultural enterprises. The gray and blue senior sweaters were a big hit on the campus. One of the greatest plays to be seen on the Chaffey stage was "The Patsy," the senior play. The class of '35 is responsible for the success of the two junior-senior dances and the senior tea. Fellowship, classes and fun have all been pressed together into a glorious four years spent here at Chaffey amid towering buildings and flowering gardens. It saddens us to realize that the task set before us in high school are completed, but the memories shall live forever, as Addison once said, "We shall live and flourish in the youth we have behind." As institutions of higher learning extend an opportunity for expansion, we strive onward.

JUNIOR CLASS

With high hopes of an even more successful year as seniors the present junior class leaves behind a very prosperous year. The members of the class were well represented in football, basketball, track, and other athletics. The class of '36 joined with the seniors in their school dances which proved to be great successes. The mothers of the class were honored and entertained by a class tea in which both boys and girls participated. The year was closed with a grand flourish with the junior-senior reception and with every member of the class looking forward to his senior year when they will try to be the best senior class that ever walked the halls of Chaffey.

SOPHOMORE CLASS

¶With sparks of originality throughout its entire sophomore year, the class of '37 threw aside custom in all of its activities. For perhaps the first time in history, the boys not only attended the sophomore mothers' tea, but also furnished the entertainment. ¶The boys in football, basketball, tennis, and track, and the girls in their various sports constantly showed their splendid sportsmanship. Not only were they outstanding in athletic events, but they have had a high scholastic standard and were well represented in the Scholarship society. ¶The greatest event of the year was the sophomore dinner. The class displayed its pep, ability and stick-to-itiveness in overcoming the many difficulties which arose. Since there was no cafeteria in which to prepare and serve the dinner it seemed almost impossible to carry out the project. However, with the Chaffey apartment as the location and with the generous assistance of the mothers of the P.-T. A. who pre-

pared the food, the dinner was successfully given. With a peppy program, an excellent meal, a good orchestra, and Mr. Fred Clapp as the toastmaster, the dinner went off with the greatest of success. So closes our second year at Chaffey, a year of which all class members and their advisers, Mrs. Close and Mr. Payne, can well be proud.

FRESHMAN CLASS

With an enrollment of 350, the freshmen have had a very successful year. After having learned many things about Chaffey they had their first-class meeting in which they nominated officers for the year. Having completed the first and second semester the class had a very high scholastic standing. The main event of the year was the tea for the mothers. The theme of Hallowe'en was carried out. The athletics for the boys and girls were played with much pep and often ended with victory. Several of the freshmen boys were able to make the sophomore team and walked away with their letters. The freshmen girls won the inter-class volleyball series. The freshmen play day on April 12 was enjoyed by about 70 girls. The

UPLAND JUNIOR HIGH SCHOOL

Upland freshmen have shown themselves outstanding in leadership and enthusiasm this year. Ninth grade students have successfully managed not only class activities, but also Girls' league, Boys' league and student body affairs. Sport featured the program for "Fathers' Night," sponsored by the Boys' league, on November 23. Mr. Robert Weaver, Olympic official; Mr. Ernest Payne, Chaffey faculty member and IC4A low hurdle champion; and Randall Bryden, holder of the world's rope-climbing record, were speakers. "Spectator As," a play by Miss Margaret Crosby, ninth grade adviser, was presented at the Upland Girls' league Mother-Daughter banquet April 12. Musical numbers were also given by freshmen girls. In athletics, Upland scored well, winning all of her football and basketball games with other schools. More Fastis were sold at Upland this year than ever before. Class officers for the year were

FONTANA SOPHOMORE CLASS

Emblems in the form of winged shields, made in the class colors blue and white, worn on sweaters, have been the distinguishing marks of sophomore dignity. The social life of the class has taken the form of girls' parties in honor of the birthdays of the girls of the class, and two large events for all members. The former, held at the home of Mrs. Payne, have been given three times during the year, while the latter, held in the school cafeteria, have taken the form of a Christmas party on December 17, and a banquet on April 26. "School Daze," issued by the Journalism club, has been largely a sophomore project, and two of the members of the class, Helen Hood and Paul Harvey, had leading roles in the operetta "Chonita."

“EXTRAVAGANZA”

Chaffey's third annual Winter Extravaganza, "The Oriental Variety Show," was presented December 7 to an enthusiastic audience. Miss Clara Bissell directed the 175 students, from all four classes which participated. B. Foss, D. Axtell, B. Ayles, M. Kamansky, C. Kilbourne, M. Ramey, B. Richardson, W. Richards, F. Smith, B. Walk, Mr. Moore and Mr. Snyder were on the committee which had general supervision. The success of the extravaganza was due to the efforts of the committee and of numerous others who lent their sincere cooperation. Preceding the rising of the curtain, Mrs. Johnson directed the Chaffey orchestra in a selection, "In a Persian Market." In the opening scene, H. Griffin, as Aladdin, brought his magic lamp to his mother, M. Moore, who rubbed it, and the genie, W. Buehler, presented many varied vaudeville acts. The Boys' Glee club, under the direction of Mrs. Blakeslee, sang in a bazaar scene. R. Powell, assisted by S. Smalley, impersonated a Merchant of Magic Wares, followed by P. Breese in an "Artist Entertainer from the Court." The first part concluded with the Princess, M. Maitral, and Her Maidens, members of the Girls' Glee club, going to prayer. Mrs. Blakeslee directed. The Chaffey orchestra played "Desert Caravan," and the second part started with the Sultan entertaining in honor of the betrothal of Aladdin and the Princess. The Sultan, W. Richards, sang a solo immediately followed by the Court Singer, I. Nelson. G. Wight, as Fatima, did a dance preceded by the Court Tumblers. The Baron von Monchausen, R. Ingold, and his kids entertained with the selection "Hayden's Toy Symphony." Next, there was a dance by Periezadich, C. Browning. P. Fetrow and E. Buffington's stunt was called "Mustapha, the Man with the Magic Voice." P. Graham sang a song and was followed by four Turkish Maidens in the Zabek, the national dance of Turkey. The Himalayan Hillbillies were presented by the Future Farmers of America. M. Edwards as Meliha Zadeh, assisted by L. Holbrook and V. Clapp, danced. Zobeide, Mist of the Sunset Seas, by P. Moeller was followed by an amusing skit of Sinbad the Sailor, featuring R. Hild, M. Dewees, T. Leabo, and B. Howell. A tale by the Story Teller, W. Smale, was preceded by Dancers of All Nations. "Turkish March" by Beethoven opened the third part. A Nautch Dance by P. Moeller, F. Naftel, L. Minor and K. Beckley was followed by the grand finale and curtain.

❧ "The Patsy," written by Barry Connors, presented by the senior class of 1935, was a delightful comedy, capably managed by a competent cast. The play was directed by Miss Dorothy Smith. Critics printed the following comment: "A better class play was never given at Chaffey high school. First honors must unquestionably go to Miss Mary Davenport, who handled the title role with rare artistry, and the work of Frank Swain, playing the part of Mr. Harrington, is also worthy of special mention." ❧ The play centers around Patricia Harrington, the misunderstood younger sister who is in love with Tony, her selfish sister's jilted suitor. "Pop" Harrington sympathizes with her; but not her overbearing, irritable mother, who humors every whim of Grace, her haughty elder daughter. Tony gives Pat love lessons and it is through his coaching that she finally wins him. Herschel Griffin in the role of Tony Anderson, fulfilled every expectation. Martelle Atwood, as the irritating Mrs. Harrington, was exceptionally fine. Grace, Gwendolyn Wight, and Billy Caldwell, Edward Vogel, were excellent. Virginia Gould as Sadie Buchanan, the society girl who comes between Grace and Billy, handled her role capably. Walter Buehler as Frances Patrick O'Flaherty and George Witman as "Trip" Busty, contributed to the comedy. ❧ Various committees who help to make the play a great success were as follows: stage manager, Colborn; prompter, Leabo; stage set and furniture, Staples, Hendy, Taylor; stage crew, Bailey, Hall, Owen, Billington, Watkins; electrician, Fuller; publicity, Birchfield, O'Brien, Bailey, Plasmann, Taylor, Ramey, Welch; Kilbourne, Hild, LaRue, Schroll, Bridge, Johnson, Hinton, Peltz; costumes, Paul, Craig, McCurdy; make-up, Kilbourne, Miss Helen Judson; tickets, Smalley, Mr. Olof Snyder; programs, Ruth, Kilbourne, Kelman; typing, Jones, Kropp, Willingham; stage and hand properties, Hayden, Moore, Frankish.

“The Flower of Venezia,” by Edgar Hansen, was presented by the combined glee clubs of Chaffey high school on April 26 and 27. Colorful costumes, good music, and a capable cast helped make the operetta a success. The plot centered around a disobedient but beautiful daughter of the doge of Venice in the late eighteenth century, and her love affair with a sailor. The doge wishes his daughter to marry a rich, though elderly nobleman. However, the play ends happily after many further complications. Clever dances by the dance team, C. Browning, P. Moeller, and V. Wright were featured. Miss Dorothy Williams directed all the dance numbers, Mrs. Winifred Johnson had charge of the costuming, and Mrs. Charles Jones directed the orchestra. Mrs. Florence Hill Blakeslee, assisted by Mr. Earle Blakeslee, ably directed the musical numbers and the continuity of the entire production.

GLEE CLUBS

Three Chaffey glee clubs, under the direction of Mrs. Florence Blakeslee, did outstanding work this year. The glee clubs sang at this year's successful Extravaganza; at various community gatherings, parent-teacher meetings, mothers' tea, Girls' league meetings, and assemblies, the glee clubs participated. At the first exchange assembly with Pomona, preceding the football game, the glee clubs entertained with several numbers. The boys' double quartet was very successful. "The Flower of Venezia," by Edgar Hansen, was presented by the combined glee clubs on April 26 and 27. Members of the advanced groups portrayed the main characters. The Elementary Girls' Glee club provided the dancing teams. The boys are to sing at the graduation exercises. Club officers were elected at the first of the year and entertainment was provided at several meetings.

ELEMENTARY GIRLS' GLEE CLUB

Composed of over sixty girls, the elementary girls' glee club has had a very successful year under the direction of Mrs. Florence Blakeslee, instructor. Although they did not sing as an entire group in public, the girls participated in the operetta and the Extravaganza. The girls' dance team, Ellen Highsmith, Louise Minor, Kathleen Beckley, Faye Naftel, and Thelma Henderson, also took part in these productions. The elementary glee club gives promise of excellent talent for Chaffey in the future.

BAND

Under the direction of Mr. Fred Wilding, the band began another year by furnishing spirit for rallies, football games and Armistice day parade. During the illness of its director, Mrs. Winifred Johnson substituted. Upon the arrival of Mr. Charles Jones, work was continued normally. It has played at second semester basketball games and at the Chaffey Junior fair. The members made a good appearance with their orange sweaters and orange and black caps.

ELEMENTARY ORCHESTRA

¶The elementary orchestra, composed of approximately twenty high school students, has successfully finished another year's study. Due to the illness and death of Mr. Fred Wilding, the subsequent substitution of Mrs. Winifred Johnson, and the arrival of Mr. Charles Jones, the orchestra was late in starting its regular work. It has played at various school functions, including the senior play, 'The Patsy.' ¶The orchestra has deserved credit for continuing the fine standard set by past years. ¶The orchestra has played at the lecture courses held in the Merton E. Hill auditorium at junior college.

ADVANCED ORCHESTRA

¶Composed of about forty high school and junior college students, the advanced orchestra has carried on in its work and ideals set up by its organizer, Mr. Fred Wilding. Since the death of Mr. Wilding, Mr. Charles Jones has ably conducted the music department, in which the orchestra plays so important a part. ¶For the first time at Chaffey, accompaniment for vocal passages of the operetta was furnished by the entire orchestra. This is a feat which, on account of its difficulty, is worthy of great praise.

ORATORY AND DEBATE

FIRST DEBATES

“Resolved: ‘The nations should agree to prevent the international shipment of arms and munitions,’” was the debate topic during the first semester. The San Bernardino team won from the Chaffey affirmative team of Delphine Hoyt and Herschel Griffin, while Riverside lost to Gladys Offill and William Walk who made up the negative team. In the second debate Delphine and Herschel won from the Pomona negative team. Traveling to Corona, Gladys and William were defeated.

SECOND DEBATES

“Resolved: The United States government adopt the policy of equalizing educational opportunity throughout the nation by means of annual grants to the several states for public, elementary, and secondary education,” was the debate question during the second semester. The Redlands affirmative team won from the Chaffey negative team comprised of Gladys Offill and Paul Fetrow. Delphine Hoyt and William Walk won from the Redlands negative team. In the second debate, using the same question, Delphine and William, the Chaffey affirmative team, lost to Covina. Colton’s affirmative team won from Gladys and Paul.

PODRASNIK CONTEST

¶The sixteenth annual Podrasnik Contest was held Thursday, November 8, in the high school auditorium. Fifty dollars, first prize, was won by Emmett Gebauer, j. c. '35, speaking on "How Fair Is the World?" Dorothy Wight, j. c. '35, received second prize, thirty dollars, on her plea for "The Wandering Jew." Raymond Ingold, h. s. '35, speaking on "Religion and International Relations," was the recipient of the twenty dollars, third prize. Mary Gwyn Ramey and Margaret Harms, both h. s. '35, won the fourth and fifth prizes of ten dollars each. The former, placing fourth, spoke on "The Austrian Government," while Margaret's topic was "America—New, Yet Old." Mr. Alois Podrasnik, sponsor of the contest, was present at the assemblies and the luncheon at which the prizes were awarded.

AUSTRALIAN CONTEST

¶The annual Australian contest was held on February 7 in the auditorium with Richard E. Powell winning the five dollars, first prize, speaking on "Geology in Australia." Mary Gwyn Ramey won the second prize, four dollars. Her topic was "Australia and the World Tomorrow." Third prize, three dollars and fifty cents, was won by Martelle Atwood, who spoke on "George Chaffey—the Builder."

CANADIAN ORATORICAL CONTEST

¶On February 14, Winifred O'Brien speaking on "Frederick Banting—Discoverer of Insulin," won the first prize of five dollars in the Canadian Oratorical contest. The second prize, four dollars, was won by John Kimmerle, who spoke about "The Open Door Policy of Canada." Margaret Harms and Victor Chirbak tied for the third prize, three dollars and fifty cents, speaking on "The Land of Evangeline" and "Frontier Agreement."

TRI-COUNTY ORATORICAL CONTEST

¶In the local finals, April 3, John Kimmerle, h. s. '35, won first prize. His subject was "Peace, a Problem of Strengthening Our Characters and Bettering Our Customs." He received a metal globe of the world, which is to be loaned to Chaffey for a two-year period. He had the privilege of speaking in the semi-finals at San Bernardino on April 27, where he tied for third place. Richard Powell, h. s. '35, on "Government and War." The contest was organized in Riverside by a "Committee of Fifty" to promote world peace.

PEACE CONTEST

¶On April 9, William Walk, h. s. '35, speaking on "Education for Peace," won the first prize in the peace contest, sponsored by Crombie Allen, and judged by the Upland Rotary club. Second and third prizes were won by John Kimmerle, h. s. '35, whose topic was "Peace, a Problem of Strengthening Our Characters and Bettering Our Customs," and Herschel Griffin, h. s. '35, whose speech was entitled "Does War Pay?"

RICHARDSON CONTEST

¶Dwight Larick, h. s. '34, won the twenty-first annual Richardson contest at the end of the 1933-1934 school year. His speech was entitled "A New Birth of Freedom." Second place was won by Irvin Peters, h. s. '34, speaking on "The Menace of Racketeering." Joseph Rebman, h. s. '34, placed third. The title of his speech was "The Toll of the Tenement."

you know, women
we didn't raise enough
noise in studies. Maybe
we can do better next year.
But I hold.

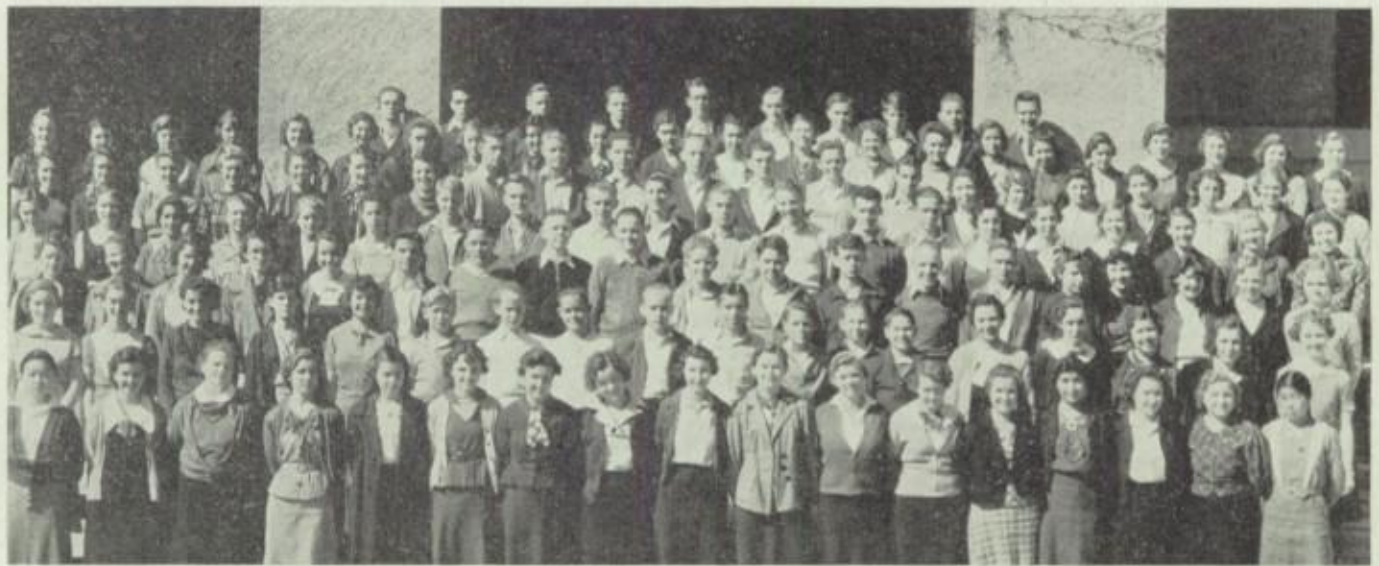

ORGANIZATIONS

But you and I together we will take the road
today,
With the breath in our nostrils, on the King's
Highway.
We will take the road together through the
morning's golden glow
And we'll dream of those who trod it in the
mellowed long ago.

Bonne Chance!

SCHOLARSHIP SOCIETY

¶The Chaffey branch of the California Scholarship federation was founded primarily as a reward, and to stimulate the student's interest in a higher standard of scholarship. At least ten points are required for membership. A grade of "A" counts three points, and a "B" one point. Three "A" grades with one "B" grade are necessary to join the club, unless one is engaged in campus activities, such as debate and oratory, which give points toward entrance. ¶A student who has been a member of the Scholarship federation for at least six of the eight semesters in his four years of high school, providing he has been a member once during his senior year, automatically becomes a Gold Seal student. This signifies particularly outstanding scholarship over a long period of time, and in a great variety of subjects. A gold seal is placed on the diplomas of these students, who have thus obtained one of the highest honors to be given at the high school. ¶Outside speakers and members of the faculty featured the programs held by the scholarship society this year. Among these were Miss Bissell, who gave an interesting talk on Turkey, and Mrs. Hawkinson, who gave an informative and enjoyable speech on her travels in northern California.

FONTANA SCHOLARSHIP SOCIETY

As a branch of the Chaffey division of the California Scholarship federation, the Fontana unit forms no separate organization but is considered a part of the Chaffey society. Membership is obtained from the same requirements as are applied universally by the California Scholarship federation. Points earned give the same honors as at Chaffey.

UPLAND SCHOLARSHIP SOCIETY

An unusual record for a small class was made by the Upland Scholarship society this year. Fourteen out of sixty-six freshmen received the points necessary for entrance. As the Upland society is considered a part of the Chaffey one, no separate organization is formed. Credits are the same as those awarded at Chaffey. Three points are received for each "A" in a full unit course, and two points for a "B." Two awards, one to a boy and one to a girl are presented each year to the most outstanding ninth grade graduates by the Lions' club and American Legion. Winners are chosen from the Scholarship society members.

PRESS REPORTERS

There is perhaps no phase of activity on the Chaffey campus which plays such an important part in school interests than does the Chaffey United Press. Much credit is due to the journalism staff, and to the reporters this year. The Press has figured largely in the promoting of cooperation among the students, the administration, and the community, as well as creating interest and enthusiasm in the various student body activities. Approximately half of the news in the Press is written by members of the high school journalism class. This news includes all phases of campus activity: student body, administration, Girls' league, clubs, classes, social and sports. It is published once each week, and is distributed free of es, social and sports. "Tiger Tracks" was the appropriate title of the Christmas literary edition of the Press. This edition contained an extra page, which presented representative work of all classes in poetry, sketches, and stories.

Faculty Fasti Adviser

FASTI STAFF

Fasti, the Chaffey year book, is designed to present to the students and to the faculty a work of lasting value; one which will renew the memories and pleasures of all those who in any way participated in school activities. The staff of '35 has earnestly endeavored to make the Fasti better than ever before, in spite of the strict economy of expenditures which was necessary. "The King's Highway" was selected as the theme, which the staff felt was particularly appropriate due to its relation to the surrounding community, and also the possibilities of effective artistic expression it contained. Mr. John Steven McGroarty, California poet laureate, newspaper writer, congressional representative, and author of "The King's Highway," which expresses so beautifully the general theme of the Fasti, very kindly consented to the use of his poem, and also penned the Forward, which enhances so greatly the literary value of the book.

GENS TOGATA

¶Gens Togata, or "Wearers of the Toga," symbolic in Roman history of those who live by their brains rather than by their hands, is appropriately the name of the club for Latin students who are interested in Roman life and customs. To learn of Romans as human beings is the chief aim of the club, and any Latin student may become a member. ¶Governing council

ALKAMYSTRE CLUB

Development of a spirit of unselfish service was the thought behind the organization of the Alkamystre club. The meaning of the name was adapted from the old English spelling of the word "alchemist." ☛ CALIFORNIA STATE FAIR. Fourteen boys taking vocational agriculture and interested in judging livestock attended the State fair in Sacramento. Nearly five hundred Future Farmers represented their chapters at this fair. Camp Lillard was the home of the boys while staying there. The state farmer keys were awarded to the boys in the northern regions.

☛ GREAT WESTERN LIVESTOCK SHOW. Many Chaffey students participated in the activities at the Great Western Livestock show on November 14-15 at the Los Angeles Union stock yards. ☛ On Saturday night twelve boys went to the annual banquet where the awards were given for the contest.

THE CHAFFEY JUNIOR FAIR

On Friday, May 18, the Thirteenth Annual Chaffey Junior fair, under the sponsorship of the Chaffey Chapter of the Future Farmers of America was opened to the public shortly after noon. Thirteen successful fairs have been conducted on the Chaffey campus. However, none have gone through with more ease and cooperation than the last.

CITRUS. Citrus fair displays this year were of especially high quality. Elmer Tate, '37, was awarded first prize for the most outstanding citrus booth in the fair. He was awarded an electric orange juicer, donated by the California Fruit Growers' Exchange.

VEGETABLE. Elvis Shultz, '35, was awarded first prize for the best vegetable booth in the fair. Vegetables exhibited were of fine quality, due to the wonderful weather of the past year.

MODEL AIR MEET. On Saturday the Model air meet was held on Graber field, showing Ontarians various types and kinds of model airplanes. Some were speedsters, other models made to scale, while still others for endurance.

FARM MECHANICS. This year the farm mechanics department was added to the agriculture curricula. Our new department was organized by Mr. "Archie" Moore. It displays the workmanship in remodeling farm implements for practical use. "We fix anything from a halter to a tractor," is their slogan. New pigeon lofts were a part of the workmanship exhibited.

LIVESTOCK SALE. Mr. Perrin and Dean Keller organized a new addition to the fair in 1934. This new addition was the livestock sale, which turned out to be one of the largest events of the fair.

JUDGING CONTESTS

IMPERIAL. March 14 and 15 the agricultural judging teams attended the livestock, dairy, and poultry contests held at the Imperial County fair at Imperial. Chaffey "A" and "B" livestock teams won first honors. Bower was high individual of the contest. Robert Groff, '35, Ray Bower and Dean Poulson were first, second, and third respectively in the judging of sheep. Robert Pearson was second high individual in the contest.

PERRIS. On April 6 the Chaffey judges participated in the Perris livestock day by entering teams in all contests. Chaffey's "A" livestock team placed third in the contest. The "B" team was first. Ray Bower, h. s. '35, was high individual of the contest. The dairy teams were fifth and sixth.

DAIRY TEAM—ROW ONE: D. Ward, D. Schowalter, J. Henderliter, R. Vesta, Mr. Perrin. ROW TWO: A. Engle, G. Oxley, J. Allumbaugh, D. Shore.

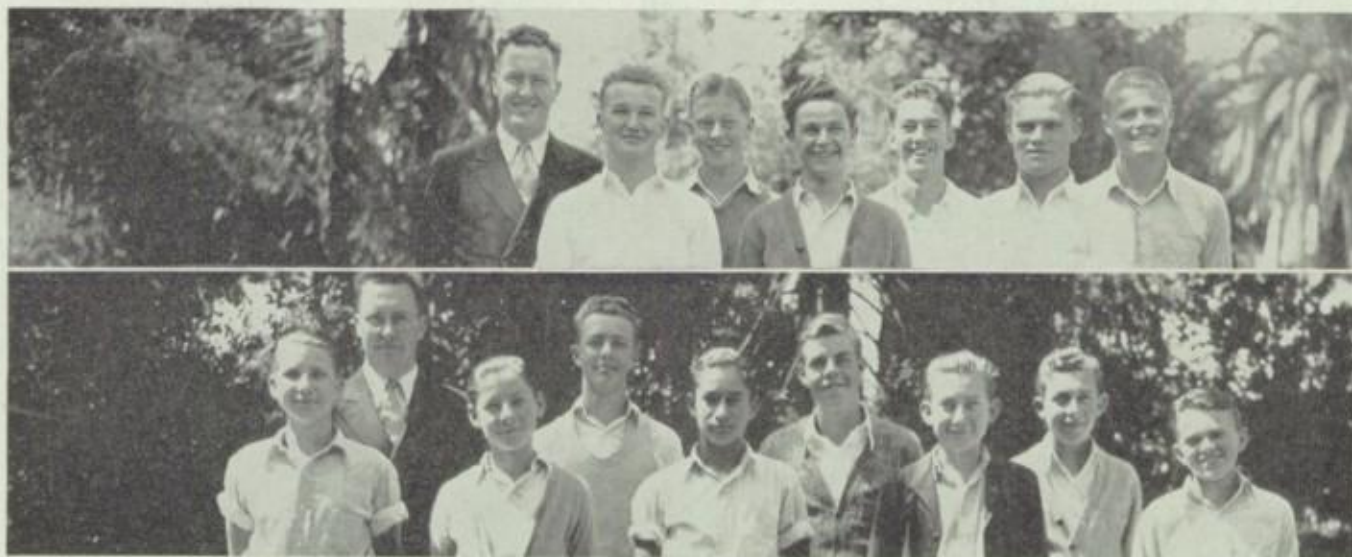

STOCK TEAM—ROW ONE: R. Groff, R. Bower, D. Poulson, L. Holbrook, H. McCullum. ROW TWO: B. Perrin, B. Vance, F. Murha, F. Hiddleton, F. Williams, E. Luginbill.

LOS ANGELES COUNTY FAIR. Chaffey was honored by having two students as executives in the junior fair. These boys were Dean Keller, '34, superintendent, and Garland Smith, '35, assistant superintendent. William Smale, '35, was awarded the state farmers' key. Chaffey's livestock team won second place. The team was composed of Dean Poulson, '35; William Smale, '35; Robert Groff, '35. The dairy team won first place in their contest, David Ward, '35; Donovan Schowalter was the second high individual in the contest.

NATIONAL ORANGE SHOW. On February 24 the Chaffey citrus teams participated in the National Orange show. Chaffey's "A" citrus team placed second in the contest. This team was first in judging grapefruit, second in judging oranges and packed boxes, and third in judging lemons.

EXHIBITS

This year the Chaffey Junior fair was one of the largest and most successful ever held at Chaffey. The booths which were particularly commendable included a model office of the commercial department, complete with typing and shorthand work, business correspondence. Water colors, stained glass windows, and transparent pen and ink sketches were shown in the prize-winning art booth, sponsored by Miss Charlotte Reed's third period art class. Over 300 radiograms were sent to various places in the United States by the boys in the radio booth. Posters, notebooks, puppet construction, a journalism display, and a doll parade made up the English exhibit. A demonstration was held in the Chaffey auditorium by the cooking classes. Among the exhibits of the home arts classes were luncheon cloths, flower arrangements, and millinery. Applied art classes featured pottery, tooled leather, and book-binding. Colorful charts, mounted butterflies, insects, and flowers were displayed by the biology booth. The aviation display, particularly interesting to men and boys, included pictures lent by the Pan-American and American airways, as well as army wings and to motor and other equipment. The fashion display held in the Chaffey auditorium which contrasted the girl of yesterday and today, was most appreciated. A Spanish patio and fountain furnished the background for the lovely setting. Over two hundred girls took part in the program. Chemical demonstrations were conducted by the chemistry students, and cedar chests, toboggans, and tables were displayed by the woodshop classes; mechanical arts projects were exhibited in the home of this department. The baby books, made by the sophomore girls' hygiene classes, always create a great deal of interest and admiration, and this year was no exception. The notebooks are divided into three groups, those having bound, loose-leaf, and plain blue corners. Betty Blair, Mildred Nicholson, and Catherine Cooper took first place in these respective groups.

Well, Newman — I haven't seen as much of you this year as I did about a year but — nevertheless, I would like to see you more often. We've got to get in there and take the C.B.L. next year. Thanks for everything that you did for me (you know when) I appreciate it very much. I look forward to a great summer and next year's school term with you as one of my friends, May I?
Sincerely — a friend,

FOOTBALL

Chaffey, for the first time in years, turned out a winning football team. After winning our own C. B. L. they went up to the semi-finals in C. I. F. play-off, then upset all dope and won the right to meet Long Beach in the Coliseum in the Southern California play-off. This year's Tiger heavyweight will be remembered for years to come. The entire student body saluted "Muggs" Mitchell when the team presented him with a desk pen as a token of their appreciation for his unceasing hard work.

CHAFFEY AT COLTON (Practice)

6—0

Although Colton outplayed Chaffey, the Tigers took advantage of a break. That break was a run-back punt by G. Smith, which gave Chaffey its only tally.

PASADENA FROSH AT CHAFFEY (Practice)

12—0

The Tigers won this tilt, 12 to 0. Wager scoring both tallies. The first, a line plunge. The second, a pass from Anderson to Gaylord.

CHAFFEY AT REDLANDS UNIVERSITY (Practice)

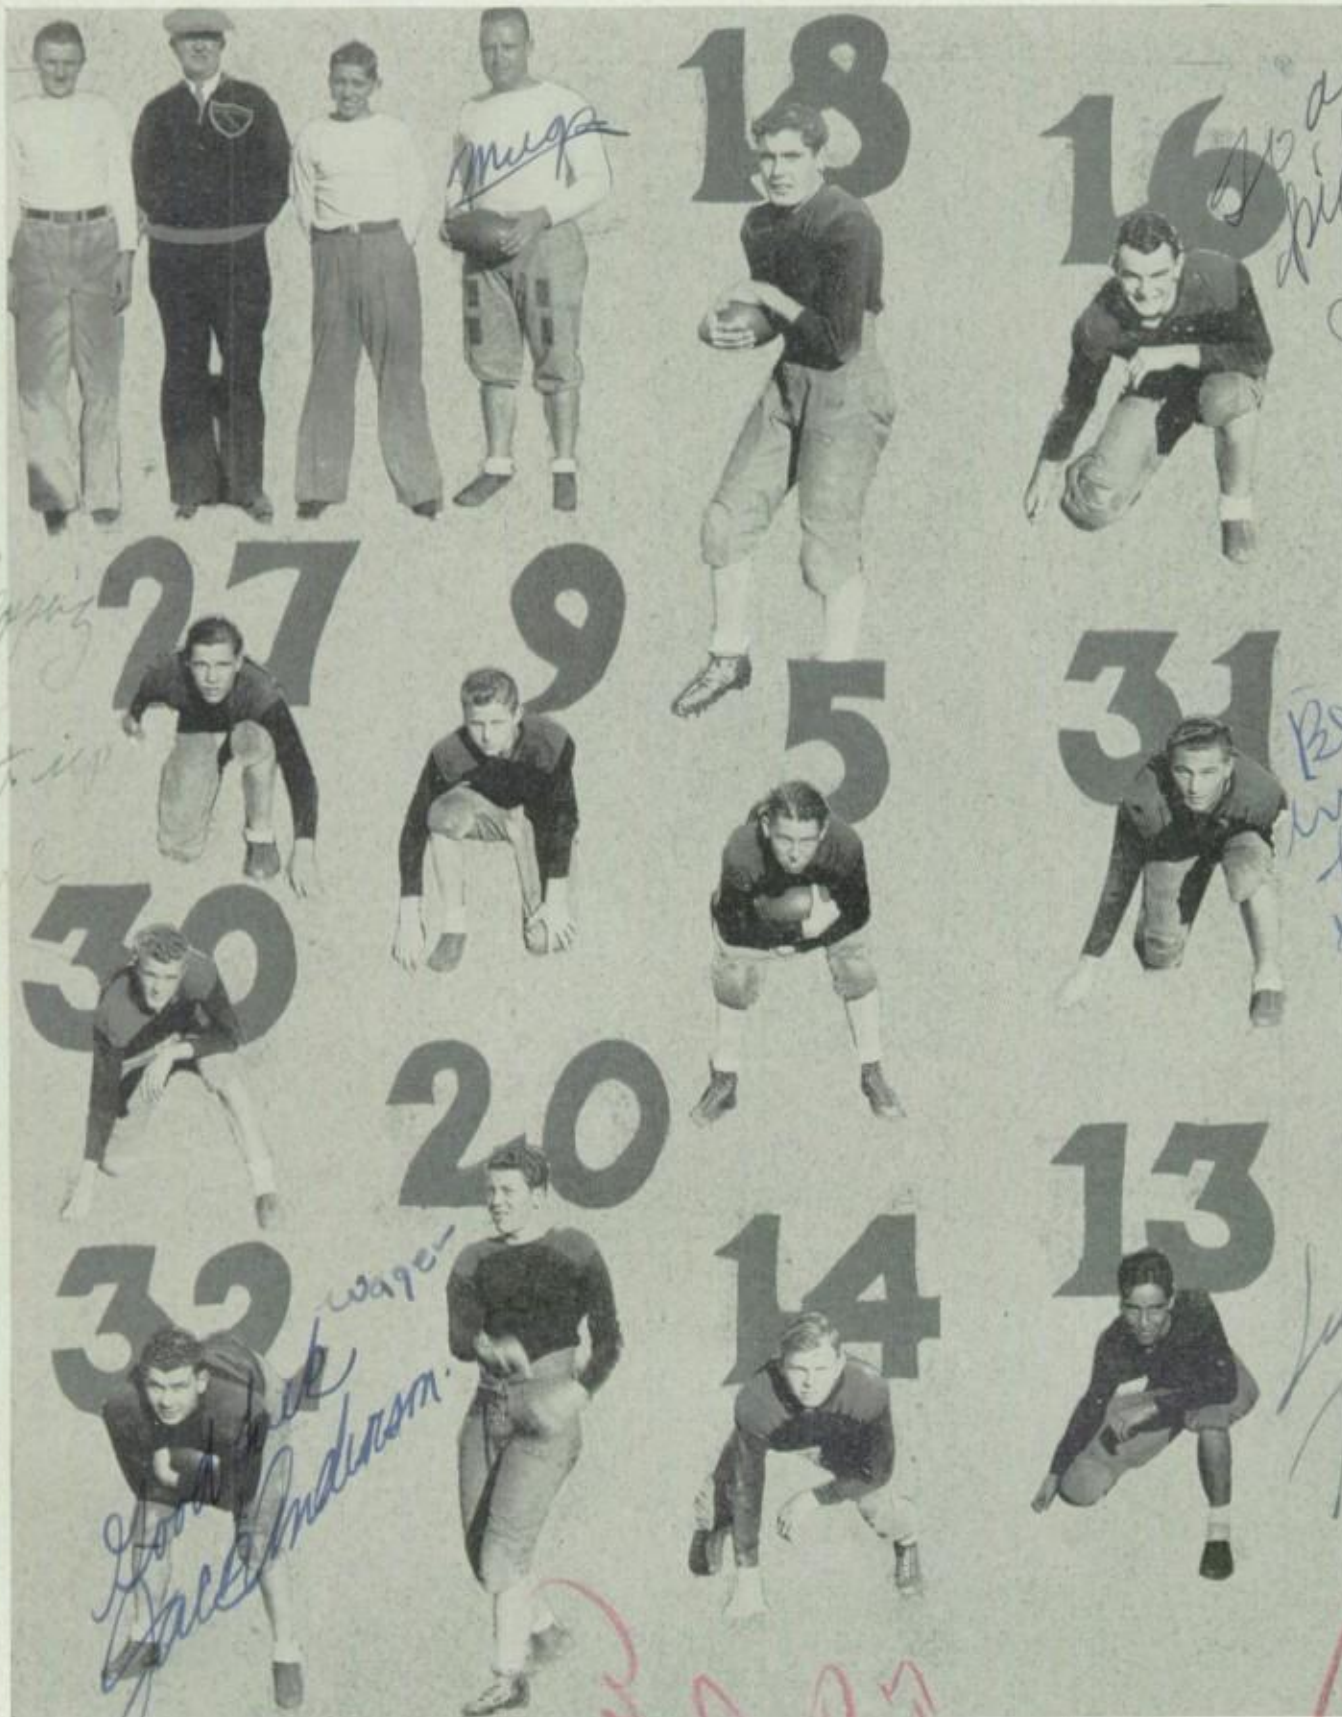

6—13

This was Chaffey's first defeat and it was handed to them by a score of 13 to 6. Both teams played ragged football.

FULLERTON AT CHAFFEY (Practice)

12—12

In the opening game of the season, the Tigers displayed more line strength than any team has done in many years. From the first practice games not much could be learned about the backfield, as Muggs used his reserves most of the game. At the beginning of the Fullerton game Billington slashed the line for the first touchdown.

An exciting moment at Chaffey-Muir Tech game.

COLTON AT CHAFFEY (C. I. F. Play-Off)

19—0

Chaffey entered the play-off as the under-dogs. But upset all prophecies by beating the Yellow-Jackets 19 to 0. Cummings proved to be the touchdown "machine" for the Tigers. The Chaffey line outplayed the Colton line on every position and proved their superiority over all lines in the valley to everyone. This gave Chaffey its chance to enter the semi-finals with Muir Tech of Pasadena.

MUIR TECH AT CHAFFEY (C. I. F. Play-Off)

13—6

Chaffey entered the semi-finals as the under-dogs again. Muir Tech out-weighed the Chaffey line-up by several pounds for each man. They also boasted of such players as Bill Sangster and Bill Clipper of southern California fame. But the Tigers went into the game with a fighting spirit and got their reward by coming out as winners. This gave Chaffey the privilege of meeting Long Beach Poly High for the southern California championship.

CHAFFEY VS. LONG BEACH (C. I. F. Play-Off)

13—0

"This game was one of the finest ever played by two high school teams," declared a Los Angeles sports writer. Although the Poly "Jack Rabbits" won, it was only after a long and hard fight. Not too much praise can be paid H. Smith, guard; M. Hill, quarter; and F. Johnston, tackle. Much can be expected from these boys in college football, although H. Smith has another year of high school. The Tigers held their own on field plays, but were unable to cope with Long Beach's aerial attack. This game ended the longest and most successful Tiger football season in thirteen years. Much of the team's credit is due to the fine coaching of "Mugs" Mitchel.

CHAFFEY VS. SAN BERNARDINO—(32-6)

(Sweeping to one of the greatst victories of the season over a team that was "doped" as one of the best teams on the C. B. L., Chaffey's men outplayed the Berdoo team individually and as a team. Moffet, the much-talked-about Berdoo player, was easily crushed.

SOPHOMORE FOOTBALL

Although the Chaffey sophomores did not place very high in the final rating they got some valuable experience for next year's heavyweight. In the first game with Pomona, the Cubs lost a hard-fought game by a close score. Riverside managed to win by the close score of 3 to 0. Much credit being due the Cubs strong line. The Cubs journeyed to San Bernardino only to come home on the short side of a 13 to 0 score. In the last game of the season, H. Utman managed to intercept a pass and behind perfect interference slashed the field for a 40-yard run and a touchdown.

POMONA AT CHAFFEY 13—0

The Tiger played host to her traditional adversaries and sent them home on the short end of the score, 13-0. Chaffey and Pomona were rated even before the game but the Tigers proved that their line and power-driving backfield was too good for the Red Devils. Cummings scored the first touchdown early in the first quarter. The remaining points were picked up in the second half by Wager, with the conversion made by Anderson's pass to Wager.

REDLANDS VS. CHAFFEY 24—0

Chaffey, playing their best game of this season, took advantage of all the breaks and came home on the long end of the score. Hill, Wager, Billington, and Cross all made touchdowns. The line offered perfect interference for the ball-carrier. This cinched the C. B. L. title for the Tigers and they justly deserved it.

BASKETBALL

Upsetting all tradition, dope, and pre-season figuring, the Tiger basketball team failed to win our own C. B. L. or even tie for the honor. After last year's successful team, composed of nearly the same men, going to the Southern California finals and with such players as B. Smith, B. Walk, E. Cross, and G. Smith it was quite an upset. But, taking into consideration the late start the team got because of our winning football team, our boys did exceptionally well, and they will be remembered not for their victories, but for their fine spirit and cooperation throughout the entire season, not only with their coach but with their fellow players and all concerned. This spirit can be described no better than the words spoken by one of the C. B. L. referees: "If I were picking an 'all C. B. L. team' for cooperation, spirit, and fight, there would be five Chaffey Tigers represented on the first team."

CHAFFEY VS. POMONA (First Game)

24—28

Being the first game of the season, lack of practice showed up in a glaring fashion as the Chaffey Tigers, fighting all the way, were downed by the Pomona team in the first C. B. L. basketball game. In the third quarter the Tigers held the edge by 2 points but were unable to hold the slender margin, for the Red Devils came back in the fourth quarter and nosed the Tigers out by 4 points.

CHAFFEY VS. REDLANDS (First Game)

21—49

One of the worst lickings ever handed to a Chaffey team came from the Terriers as H. Street and D. Paul sank them from every conceivable position on the court. In the third quarter the Terriers piled up a 25-point margin to cinch the game. This defeat put the Tigers in the cellar position.

CHAFFEY VS. RIVERSIDE (First Game)

32—38

Still showing ragged passing from lack of practice, the Tigers lost a close game to the Poly Bears. The Tigers held the lead through the entire three quarters, but were unable to hold it the last quarter.

SOPHOMORE BASKETBALL

Chaffey basketball "Cubs" played two rounds of games as their big brothers did, with slightly more success. Winning little over half of their games, but showing great reserve power, they came out third in the league. Battling to save Chaffey's good record against Pomona this year, they won both the games with the school's old rival. The last game with Pomona was said by sports writers to be worthy of high praise. Charles Bleick and Gilbert Doll played exceptional games throughout the reason and were rated as being nearly equal to the heavyweight players in ability. All the sophomore games were played on the same days as the heavyweight and with the same schools. They played the preliminary to the heavyweight.

SAN BERNARDINO VS. CHAFFEY (First Game)

Chaffey ended the first series by winning over the Cardinal five by a nice score. This was the Tigers' only victory in the first round. E. Vogel was outstanding in this game. Score: 33-22.

CHAFFEY VS. POMONA (Second Game)

This was an exciting game from start to finish. Chaffey took an early lead, but was unable to hold the margin throughout the four quarters. The second team played most of the game, starting the game and going back in the third quarter. "If the Tiger regulars had been in the entire game," admitted Coach Kaiser, "the score would have been decidedly different." This defeat put the Tigers out of the running for the second round.

REDLANDS VS. CHAFFEY (Second Game)

59-16

This was one of the closest of all the C. B. L. games, and one of the hardest to lose. B. Smith was high point man for this game.

CHAFFEY VS. REDLANDS (Second Game)

HEAVYWEIGHT TRACK

RIVERSIDE VS. CHAFFEY (Practice)

☛ Redlands vs. Chaffey was the last C. B. L. track meet held before our big Invitational meet. The entire squad was allowed to participate in its respective events. Although "Pop" Kegley did much switching around in order to find more strength in dash events, his biggest find was in L. Smith in whom he found a triple threat in the low hurdles, high hurdles, and high jump.

LONG BEACH RELAYS

☛ The Long Beach Relay was Chaffey's first big meet this year, although it was limited to relays and shot put for high schools. The Tigers took their score of awards. The relay team took first place, while F. Johnston took third in the shot event.

HUNTINGTON BEACH

☛ Chaffey again walked away with the honors at Huntington Beach for the third consecutive time. This was another one of the close meets that took Chaffey's fast-stepping relay team, composed of V. Couch, M. Hill, E. Vickery and A. Cummings, to decide the winner. Santa Ana was our nearest rival, with 19 points. Much credit is due to P. Fetrow in the high jump, L. Smith in the hurdles, and F. Johnston in the shot-put for the winning of this meet.

CHAFFEY VS. RIVERSIDE (Dual Meet)

☛ One of the most thrilling meets ever held was run March 15. Although the Poly Bears held the edge in the field events, the Tigers overcame it in the sprints to result in an even score. Not until the last relay had been run did the officials know the winner. Chaffey won this event, thus giving them the meet by two-thirds of a point. There were many surprises and upsets in this meet, but the biggest occurred in the 440 event, which was won by Kenard Billington. Others showing splendid form were Leonard Mather in pole vault and Leonard Smith in the high jump.

J. C. VS. HIGH SCHOOL (60-46)

☛ In the first practice meet of the season the Tigers downed their senior brothers by a nice margin. Both teams got some good practice for their future meets. No outstanding records were produced this early in the season.

INVITATIONAL MEET

Our Invitational meet, the highlight for the Tiger tracksters, was held before a record crowd. The Tigers proved very hostile hosts and carried off first place honors. Five old records were broken, the "880," "220," "100," broad jump, and shot-put. Other good marks were turned in by H. Harris in the "440"; E. Vickery in the low hurdles, and L. Smith in the high hurdles, and P. Fetrow in the high jump. Although the Tigers held a nice margin throughout the meet, it again took Chaffey's miracle relay team to cinch the meet. Chaffey topped the list with 24 and $\frac{3}{4}$ points, El Monte 20, and Santa Ana 17 and $\frac{2}{3}$. The rest of the schools who picked up points in the different events were not close enough for much competition. This year's meet was the largest ever held on Graber field.

ROW 1: O. Leinberger, R. DeBerard, E. Mitchell, C. Southworth, L. Bailey, J. Franklin, G. Sible, P. Ferrero, E. Harper, E. Strawn, T. Runner, H. Utman. ROW 2: J. Latimer, A. Kimball, J. Settle, C. Bovee, R. Hargrave, H. Buehler, W. Shultz, G. Fetrow, D. Philph, G. Foote, L. Ramp, R. Dell, R. McCullough.

SOPHOMORE TRACK

According to Coach "Pop" Kegley the Chaffey Tiger sophomores proved to be the best team turned out in several years. They also give promise to another championship heavyweight squad next year. The sophomores went through the entire season losing only one meet, the annual Chaffey Invitational meet. Chaffey's closest competition was offered by the San Bernardino sophomores. Even in this meet the Tiger Cubs rolled up a nine-point margin. A few of the constant point-makers were: H. Utman, 880; E. Mitchell, shot-put; J. Latimer, shot-put; G. Sible, broad jump; B. DeBerard, pole vault; G. Fetrow, hurdles; L. Bailey, 100 and 220 sprints. Coach Kegley expects most of these men back as lettermen for the heavyweights next year.

C. B. L. TRACK MEET AT REDLANDS

The annual C. B. L. meet was held at Redlands university. The score was very close throughout the meet with Redlands and Riverside having the edge in the sprints and Chaffey taking their share of the field events and the relays. The boys turning in good marks were: Ruddle in the pole vault, who scored 11 inches higher than he has tried all season. Fetrow in the high jump, who tied for first. Johnston in the shot-put, and Harris in the 440. These boys enabled the Tigers to win over their nearest rival, Riverside, by an 8-point margin. Redlands, San Bernardino, and Pomona followed in this order.

ROW 1: J. Homewood, H. Futscher, C. Bleick, L. Holbrook, D. Warner, E. Shultz, R. Baly. ROW 2: D. Walkinshaw, R. Ayles, B. Olilla, J. Phillips, A. Clapp, J. Ayles. ROW 3: V. South, J. Craig, B. Bailey.

HEAVYWEIGHT SWIMMING

⌚ This year's swimming team was handicapped by the fact that so many members graduated from last year's winning team. Returning lettermen are G. Wager, in the sprints and dives; A. DeBakcsy in the breast stroke and dash; J. Kimmerle in the 220 and distant swimming; L. Holbrook, 220 and distant swimmer; H. Futscher in the dives; J. Homewood, who scores his points in the back stroke. ⌚ The new men who are showing up well on the team are E. Schultz in the medley; A. Clapp in the breast; J. Homewood in the back stroke; and D. Warner in the 50-yard dash. ⌚ G. Wager, sprints; A. DeBakcsy, breast stroke; H. Futscher, dives; and the relay team composed of G. Wager, A. Clapp, J. Kimmerle, L. Holbrook, and D. Warner.

LIFE-SAVING

⌚ Life-saving classes have been conducted this year in preparation for the taking of the tests for junior and senior life-saving certificates awarded by the American Red Cross. The test includes an examination on ability to perform well in a series of events designed to show the ability of the lifeguard to save a person's life when in danger of drowning. ⌚ Girls who joined the class were S. Hoisington, B. Grass, J. Nesbit, B. Gearhart, K. Fischer, E. McGready, F. Paul, E. Matlin, L. Andrews, B. Toplir. ⌚ Boys attempting the fete were D. Wight, R. Thrall, D. Rafferty, G. Frymire, A. Hollister, F. Merha, E. Smith, C. Bleick, B. Gray, E. Phillips, N. Brand, P. Briesse, F. Turner, V. Fulton, J. Monroe.

TENNIS

Winding up a fairly successful season the boys' tennis team, coached by Mr. Roy T. Vick, finished second in C. B. L. competition to the Riverside Bears. During the practice season, the Tiger netters only lost one match, and that was the first game of the season, out of six played. After losing to Citrus 11 to 8, they defeated Covina 13 to 6, junior college 10 to 9, El Monte 14 to 5, junior college 12 to 7, and Orange, Tri-County champions, 19-0. In the first C. B. L. match, the Tiger squad went over to San Bernardino and defeated last year's C. B. L. champion 13 to 6. First singles: Phillips (Cha.) defeated Killian (S. B.) 6-1, 6-2; second singles: Snyder (Cha.) defeated Broomfield (S. B.) 7-5, 0-6, 6-4; third singles: Lee (S. B.) defeated Delahoyde (Cha.) 6-0, 3-6, 6-1; fourth singles: Jones (Cha.) defeated Stanton (S. B.) 6-3, 6-2; first doubles: Stillman and Weeks (Cha.) defeated Barnum and Burke (S. B.) 3-6, 6-4, 9-7; second doubles: Hunting and Neuruan (S. B.) defeated Page and Kimmerle (Cha.) 6-4, 6-2. Meeting Pomona on their courts, the Tigers again won, this time by a score of 15 to 4. First singles: Phillips (Cha.) won from Davenport (Po.) 6-2, 6-1; second singles: Snyder (Cha.) won from Lesley (Po.) 6-4, 6-3; third singles: Delahoyde (Cha.) won from Anderson (Po.) 9-11, 6-3, 6-0; fourth singles: Jones (Cha.) won from Clauls (Po.) 6-4, 1-6, 5-2; first doubles: Stillman and Weeks (Cha.) won from Boston and Cameron (Po.) 6-3, 6-2; Page and Kimmerle (Cha.) lost to Van Horn and Heuzie (Po.) 8-6, 7-5. In the third match Riverside came to the local courts and defeated the Tigers 11 to 8. First singles: Vanderzye (Riv.) defeated Phillips (Cha.) 4-6, 6-2, 6-2; second singles: Snyder (Cha.) defeated Bohr (Riv.) 6-1, 3-6, 7-5; third singles: Wilson (Riv.) defeated Kimmerle (Cha.) 7-9, 6-4, 6-3; Goodman (Riv.) defeated Jones (Cha.) 3-6, 10-8, 6-4; first doubles: Stillman and Weeks (Cha.) defeated Horton and Harmon (Riv.) 6-1, 6-4; second doubles: Seibel and Morris (Riv.) defeated Page and Delahoyde (Cha.) 6-3, 8-6. Concluding the season with a victory, the Tigers defeated Redlands, on the local courts, 11 to 8. First singles: Phillips (Cha.) won from Gregory (Red.) 6-1, 6-1; second singles: Snyder (Cha.) won from Romo (Red.) 6-1, 4-6, 6-2; third singles: Kimmerle (Cha.) lost to Laylander (Red.) 6-2, 4-6, 6-1; fourth singles: Jones (Cha.) lost to Bennett (Red.) 6-3, 8-6; first doubles: Stillman and Weeks (Cha.) lost to Weaver and Dean (Red.) 6-3, 1-6, 7-5; Delahoyde and Page (Cha.) won from Slamal and Holbrook (Red.) 6-4, 7-5. Members of the squad were Ray J. Phillips (captain), Kenneth K. Snyder, John Q. Kimmerle, William B. Jones, Willard O. Weeks, Nathan D. Stillman, Franklin F. Delahoyde, Roger G. Page.

GIRLS' TENNIS

Although they won all but one of their several practice matches, the Chaffey Girls' Tennis team did not have so successful a C. B. L. season as had been anticipated. However, as the majority of the players are freshmen and sophomores, the playing experience they gained this year will prove helpful to them in the coming years. The members of the team are M. Ramey (captain), B. Blair, T. Smith, B. Phibbs, B. Gearhart, J. Miller, K. Fischer, T. Smith. The C. B. L. season was opened on March 22, with the girls playing San Bernardino on the home courts. The visitors won by a close margin, 10-9. First singles, E. Clifton (S. B.) defeated B. Blair (Cha.) 6-8, 7-5, 6-3. Second singles, H. Ginkins (S. B.) defeated M. Ramey (Cha.) 9-7, 1-6, 6-3. Third singles, R. Rhwold (S. B.) defeated T. Smith (Cha.) 6-3, 3-6, 7-5. Fourth singles, R. Randall (S. B.) defeated B. Phibbs (Cha.) 6-4, 7-9, 7-5. First doubles, J. Miller and B. Gearhart (Cha.) defeated L. Nisle and R. Bruhl (S. B.) 6-3, 6-4. Second doubles, D. Patterson and K. Fischer (Cha.) defeated L. Rich and A. Norman, 6-2, 4-6, 6-2. The second match was played against Pomona on April 5, on the Chaffey courts. Pomona won 13-6. First singles, J. Bigler (Pom.) defeated B. Gearhart (Cha.) 6-1, 6-2. Second singles, L. Albery (Pom.) defeated M. Ramey (Cha.) 7-5, 6-1. Third singles, G. Walkley (Pom.) defeated T. Smith (Cha.) 6-3, 6-3. Fourth singles, B. Phibbs (Cha.) defeated M. Slade (Pom.) 11-9, 6-2. First doubles, J. Miller and B. Blair (Cha.) defeated M. Kiester and M. Purly (Pom.) 2-6, 6-4, 6-2. Second doubles, R. Beahrs and E. Griphy (Pom.) defeated K. Fischer and D. Patterson (Cha.) 6-4, 9-7. On April 12, the Chaffey girls trounced Redlands 18-1. First singles, B. Blair (Cha.) defeated S. Miki (Red.) 6-0, 6-0. Second singles, B. Phibbs (Cha.) defeated B. Finch (Red.) 6-2, 1-6, 6-4. Third singles, T. Smith (Cha.) defeated H. Parker (Red.) 7-5, 6-1. Fourth singles, F. Wingett (Red.) defeated T. Smith (Cha.) 7-5, 6-2. First doubles, J. Miller and B. Gearhart (Cha.) defeated V. Brennan and D. Towler (Red.) 4-6, 6-4, 6-4. Second doubles, D. Patterson and K. Fischer (Cha.) defeated B. Silky and A. Sallended (Red.) 3-6, 6-1, 8-6. Tennis is the only sport in which the girls carry on competition with other schools. By defeating Riverside on May 3, by a score of 13-6, the team closed the C. B. L. season placing second in the league. On May 18, Chaffey entered B. Blair as the singles player and M. Ramey and J. Miller as doubles players into the Southern California Tennis play-offs.

GIRLS' ATHLETIC ASSOCIATION

¶In order to enjoy girls' athletics at Chaffey it is necessary to earn a membership in the G. A. A. Any girl may do this if she participates in enough sports to gain 200 points. The freshmen this year proved to be very active by readily filling the deficit left by last year's senior members. This organization was ably headed by Helen Ruth, with the assistance of a fine executive committee. ¶Near the beginning of school, a G. A. A. meeting for all the girls was held in the gym. The meaning and purposes of the organization was explained to the new girls by members of the cabinet and each student who was in charge of a sport explained the game which she was to direct. The meeting was adjourned after a mock basketball game of twenty years ago was demonstrated. ¶The Chaffey G. A. A., through the medium of the president, Helen Ruth, proved to be a very capable secretary to the Girls' Athletic Federation of Southern California.

ATLETA

¶When a girl goes out for sports and successfully, in course of time, wins 1200 points, she automatically becomes a member of Atleta, the honorary athletic club. From then on she may continue to work for another letter, and chevrons, one of which is awarded for each 200 points gained. This year the club enjoyed a membership of fourteen girls who achieved the goal. They are: M. G. Ramey (president), G. Smith, B. Williamson, M. Kriegh, E. Matlin, B. Blair, V. Lee, F. Edwards, M. Johns, E. Jeffries, G. Peltz, M. Kramer, B. Topliff and D. Gregg.

M. Kreight, F. DeLaney, E. Donnelly, H. Halloway, M. Kramer, G. Smith.

POSTURE

☛Held in March, the Posture contest proved to be a very successful event. Each class was judged by three Pomona college girls. At the close of the contest the senior group composed of G. Smith, H. Halloway, E. Donnelly, F. DeLaney, M. Kramer, and M. Kreigh was named the victor. It is interesting to note that the majority of these girls were members of the winning squad since they were freshmen, thus bringing posture honors to their class annually.

PLAY DAYS

☛In the fall of this year the Chaffey G. A. A. entertained at their first C. B. L. play day in many years. The theme was nautical, with the gym decorated like a steamship, and Helen Ruth, G. A. A. president, acted as captain. The deck sports enjoyed were volleyball, basketball, and tennis. ☛During the year there were play days held at Covina, Pomona college, and Scripps college, which the girls found enjoyable. On April 4 the freshmen girls entertained at their play day, using horse-racing as the theme.

INDOOR BASEBALL

☛To end the athletic season with as much enjoyment and success as was experienced at the start, a large number of future feminine "Babe" Ruths turned out for indoor baseball. Gueva Peltz acted as student manager, while Miss Graber took general charge. Teams were chosen after captains had been elected and the usual procedure of inter-class competition followed.

SWIMMING

☛The annual girls' swimming meet was held on May 20, with high school and junior college girls participating. The meet was well attended by all those interested in aquatic events. This activity was under the general direction of Miss Greenlee, and Betty Williamson was student head.

INTER-CLASS TENNIS

☛Inter-class tennis was started in May with each class playing its own Round Robins to eliminate players. After teams were chosen the four classes formed competition by challenging each other. Betty Blair was the head of this sport.

BASKETBALL

Always an enjoyable sport, basketball, under the direction of Marie Kramer, proved to be as popular as ever this year. Many girls turned out to try to win a place on their class teams. Captains were elected and the teams were chosen. As in volleyball, interclass competition was started. To decide the championship the selves on the long end of the score.

SPEEDBALL

With Beatrice Topliff leading the activity, speedball was started by the girls. This game is harder to play than either volleyball or basketball as it is played on a large field and entails a great deal of running. However, as there are eleven positions to be filled, this sport gives an opportunity for more girls to be placed on the teams. The girls turned out in a good number and after electing the cap-tains, teams were chosen. First and second teams played the first and second teams of each class. The seniors won the majority of the games, making them the victors in two sports.

VOLLEYBALL

Starting the athletic season off with a bang, 170 girls turned out for volleyball, with Helen Hendrickson, h. s. '35, in charge. After several practices, first and sec-ond teams were chosen from all classes, and interclass competition began. This proved to be very interesting and competition keen. After a round of hard-fought games, each class playing each other, the freshmen closed the season as victors by defeating the juniors.

ARCHERY

☛The girls taking archery this year found it a very interesting as well as an educational sport. Under the direction of Miss Mabon, the girls learned how to make complete arrows, string bows, repair equipment, and make targets. Each day target shooting is practiced. At the beginning of the year a ladder tournament was held to determine who were the best "Robin Hoods." Toward the end of the year the highest scorers were entitled to compete against other schools in a girls' play-day.

FIELD CAPTAINS AND SQUAD LEADERS

☛A new system was established in the Physical Education department this year, which promises to be very successful. Instead of the "P. E." teachers taking entire charge of the classes, they were aided by squad leaders and field captains. ☛The squad leaders are elected by the girls each semester. Their duties are to see that all the girls composing a squad are present, that the squad line is straight, to give each girl her position for games, and to be sure each girl is equipped with the proper equipment. The field captains are charged with more responsibility than squad leaders, as they must conduct the entire class.

HOCKEY

☛Hockey practice commenced toward the end of March, with a large number of girls turning out in an effort to win a position on their class teams. After three practices, the girls got together and chose the different captains. The elected captains, with the help of Miss Graber, readily picked the teams and inter-class playing was started. The senior girls were the winning champions in this sport too, proving themselves to be the "queens of girls" sports.

ALONG THE HIGHWAY

[From the memoirs of the Liberal Arts building—1909-1935.]

¶**September 11**—They tell me that I am to go down. My walls will soon be lowered to make room for a new building because I am not proof against the peril of a quake. I did feel badly at first and then I thought that every building has to make way for another sometime; that is progress. Yes, that is what the old structure along the El Camino Real had to do. There now stand, here and there, old adobes and missions, the relics of those former days. Large buildings have replaced the sage and cacti. So, I too, must make way for the new. I have even seen a picture of the building which is to take my place.

¶**September 12**—Another school year has begun. Once again the students crowd the campus—but alas, for the first time during my life, I do not feel their footsteps in my halls.

¶**September 25**—The Girls' league held a Big and Little Sister tea on the lawn in front of me today. It was nice to feel them close again.

¶**September 27**—The moving picture, "Little Women," was shown in the assemblies at the junior college this morning. The juniors and seniors were laughing when they returned because they said somebody cried. I wonder who?

¶**October 2**—Our friend, Geoffery Morgan spoke before the assemblies this morning.

¶**October 3**—I have been wondering where all the people who used to come to me have gone. I just found out today that classes are being held in the cafeteria.

¶**October 7**—Chaffey students sent letters of congratulation to Mr. Alois Podrasnik, our great benefactor on his eighty-ninth birthday. They are tearing down my walls—I wish I could send him the view through one of my arches.

¶**October 11**—Dr. Bruce Baxter spoke to the assemblies today. It was his last engagement before taking over the presidency of Willamette university in Washington.

¶**October 19**—Chaffey exchanged assembly programs with Pomona high school this morning. I call that real spirit and truly friendly rivalry.

¶**October 24**—There was a wire sent to Chaffey this morning saying that our poultry team had placed fourth in the American Livestock show at Kansas City. The team was composed of Harold Loughhead, Raymond Ross, and Vincent Moore.

¶**October 24**—All the little freshmen brought their mothers to their class tea. I saw them walking across the campus.

¶**October 25**—The first rally of the year was held in the gym. Some sophomores told me that Mr. Payne and Mr. Smalley spoke. My, how everyone did cheer! It almost shook my foundations.

¶**October 26**—My foundations did shake today for Chaffey conquered Pomona on the football field by a score of 13-0. "On to victory in the C. B. L."

¶**October 30**—Miss Eudora Fredendall spoke to the Girls' league on China. The girls said that she was dressed in Chinese costume. I didn't get to see her.

¶**November 1**—A lecture on India was given the Chaffey students by Mr. Jim Wilson, traveler. Before I am torn down to such an extent that I cannot see the activities to the north of me I must say that a new library and girls' gymnasium are being built on the campus. There, as I said at first, we have some true examples of progress.

¶**November 2**—Our football team trimmed Riverside 13-0 today. When I saw the students leaving for the game I wanted to go and shout too.

¶**November 7**—A grey cloud emerged from the auditorium this noon. On closer view, it proved to be seniors in their new class sweaters. And how the freshmen did gaze! The sophomores asked questions and the juniors criticized. The sophomores mothers' tea was held this afternoon too, with the boys furnishing the program. I heard that there were plenty of eats for everyone.

¶**November 8**—The Podrasnik contest finals were held in the auditorium this morning. I heard that Raymond Ingold, Mary Ramey, and Margaret Harms won places.

¶**November 12**—I understand that Chaffey had floats, a band, horsemen, and marchers in the Armistice day parade this morning. The parade didn't come up here this year, so I didn't get to see it.

¶**November 15**—Milton Lory, the "Globe-Trotting Journalist," gave an illustrated lecture to the students on the Nicaraguan jungles.

¶**November 16**—I am going down quite fast now. I hardly feel like myself at all.

¶**November 17**—The G. A. A. entertained 250 Citrus Belt league girls today. I heard them out in the gym.

¶**November 19**—It was Parents' Night at Chaffey tonight. Fathers and mothers of students rode to school on buses, in cars, and some even walked as do their sons and daughters each morning.

¶**November 22**—The dramatics class gave a November humoresque in assembly this morning. From the looks of the costumes I saw it must have been humorous—celery, a turkey, and what have you? The Reverend Herschel Griffin and Mr. Fred Clapp spoke at the rallies this afternoon.

¶**November 23**—Chaffey won the C. B. L. football championship today by defeating Redlands 24-0. O! how I wish I could have seen the team win! The first high school dance of the year was held this evening.

¶**November 25**—Fred Wilding, Chaffey band and orchestra instructor, passed away today. Our friend is gone, but the memory of him will live as long as Orange and Black stands for Chaffey.

¶**November 28**—The Chaffey student body held a memorial service for Mr. Wilding this morning. His funeral service was this afternoon.

❧ **December 7**—Two league debates were held today. Gladys Offill and Bill Walk won over Riverside 3-0, and Delphine Hoyt and Herschel Griffin lost 3-1 to San Bernardino. Chaffey defeated Colton in the Southern California football playoff 19-6. There was a large crowd at the Winter Extravaganza this evening. The people I heard discussing it considered it a splendid success.

❧ **December 11**—Something funny must have been happening at the faculty meeting. From the laughter one might have imagined that it was a freshman class meeting, but it seems that the faculty was simply putting on a humorous court

❧ **December 12**—Dr. Merton E. Hill, former principal of Chaffey, spoke to the student body today on "The Present Challenge to Youth." I'll bet it was good—I wish I had better ears!

❧ **December 13**—"Voltaire," the moving picture, was shown in the assemblies up at the junior college this morning. Herschel Griffin and Delphine Hoyt won their debate at Corona. Gladys Offill and Bill Walk, the negative team, were defeated by Pomona. I saw a new sheet along with the regular "Press" today. They called it a literary edition.

❧ **December 15**—Chaffey defeated Muir Tech 13-6 in a grand game on Graber field this afternoon. All that is left of me swells with pride at the Chaffey spirit.

❧ **December 19**—"Christmas Carol" by Dickens was presented by the junior college students in the assemblies this morning. Bill Spaulding of U. C. L. A. and Burt Heiser from the junior college spoke at the rally for the Long Beach game today. School is out for vacation.

❧ **December 22**—Gloom prevailed in the valley this evening for Chaffey lost the C. I. F. to Long Beach in the Coliseum by a score of 14-0. Nevertheless, I won't forget our team!

❧ **January 2**—School re-opened today. Only my basement floor remains. I will soon be gone, but I hope I will be able to finish out this semester.

❧ **January 3**—The declamation contest was held today. William Smale, Winifred O'Brien, and Mary Ramey placed.

❧ **January 4**—Padua Hills Mexican players presented a musical and dance program in assembly. They certainly had colorful costumes. The heavyweight basketball team was defeated by Pomona, 28-24. It must have been an exciting game—judging from the noise that reached my ears.

❧ **January 8**—The basketball team suffered another defeat, this time from Redlands.

❧ **January 10**—Football letters and gold footballs were awarded the squad in assembly this morning. The boys presented Mr. Mitchell with a nice gift. The Dixie quartet sang—I heard someone say something about a cat-fight.

❧ **January 11**—Riverside Poly Bears defeated the Tigers 38-34 in basketball today. This heavy schedule keeps me going to remember the scores.

❧ **January 14**—Students participated in the P.-T. A. program this evening. Is that polishing the apple—I see so many shiny apples nowadays?

❧ **January 15**—The Girls' league had a pay assembly this morning—the dramatics class put on a play. The basketball team lost to Riverside 28-34.

❧ **January 17**—U. C. L. A. gymnasts entertained the boys out in the gym today.

☛ **January 18**—High school students held a nominating convention. Politics are "all the go." Our basketball team defeated San Bernardino 33-22.

☛ **January 24**—Candidates for student body offices "presented their platforms" this morning.

☛ **January 25**—Redlands Terriers buried Chaffey in a 56-18 defeat.

☛ **January 31**—Student body officers were installed with Elmer Cross replacing Merton Hill as president.

☛ **February 1**—Pomona high school defeated the Tiger basketball team 24-17.

☛ **February 2**—They are blasting my steps now. The students over in the Science build-

ing squeal when each blast comes, but what of me?

☛ **February 7**—Richard Powell won the Australian contest. Mary Ramey placed second and Martelle Atwood, third.

☛ **February 8**—Chaffey had a close basketball game with Riverside Poly high. The score was 28-26 in their favor.

☛ **February 12**—The girls' and boys' glee clubs sang and "Pop" Kegley gave readings at the Lincoln day assembly.

☛ **February 15**—Winners in the Canadian contest this afternoon were: first place, Winifred O'Brien; second, John Kimmerle; and third, a tie between Margaret Harms and Victor Cherbak.

☛ **February 18**—Whew! That was the third blast of dynamite in one day. This is worse than when Miss Bissell taught gym in my basement.

☛ **February 22**—Here's to George Washington and the holiday which brought Chaffey first honors in the Orange show relays!

☛ **February 27**—When the north wind whistles through the orange trees to the north of me, I have the hollowest feeling! My walls are completely gone—I don't even resemble the "last days of Pompeii" any more.

☛ **February 28**—"Smoky" was shown at the junior college. Do you suppose "Smoky" got its name from the late smudge that has been hindering my view the last few mornings?

☛ **March 8**—Who ever heard of seniors having pedigrees? I thought only pups had anything to do with them, but today I heard some seniors telling of "stringing out" their pedigrees. What could that mean?

☛ **March 9**—Chaffey won the Long Beach track meet. Hurrah for Pop Kegley's boys!

☛ **March 13**—They tell me that the seniors had one "springy" tea for their mothers. Good eats and a nice program besides.

☛ **March 14**—Still more debates on the program. Gladys Offill and Paul Fetrow lost to Redlands 2-1 and Delphine Hoyt and Bill Walk won from the negative by the same margin.

☛ **March 16**—Chaffey "A" and "B" stock judging teams both placed first in the Imperial contest.

☛ **March 17**—I remain but a brick or two hidden from view in what used to be my basement. I dare not move too much for I may be taken away before I am able to witness commencement. Ah, what a pity that would be!

☛ **March 21**—The Chaffey football team appeared on the stage today in skirts for the Fasti skit. What a scandal! It must have been a sight!

¶**March 22**—Chaffey lost two debates today, one with Covina and the other with Colton. The affirmative team was Delphine Hoyt and Bill Walk and the negative, Paul Fetrow and Leroy Brown. However, the great crowd that mobbed the auditorium to attend the annual senior play glowed with enthusiasm for "The Patsy" as they left the campus this evening.

¶**March 23**—The Tigers were again victorious in the Huntington Beach track meet.

¶**March 26**—The boys' tennis team defeated the San Bernardino Cardinals 13-6.

¶**March 28**—Miss Helen Judson's English class put on an interesting play in assembly this morning.

¶**March 29**—The largest Mother and Daughter banquet ever held in the history of Chaffey was given this evening in the gym. It must have been a huge affair for I'm sure I saw 500 people pour out of there! O, and I almost forgot to make note of the fact that our track team beat the Pomona college freshman this afternoon.

¶**April 2**—Dr. Charles E. Barker lectured to the students on "How to Make a Success of Your Life." I'm afraid that my life is too short to do much more, but what a past I have had! I can remember how they "dunked" the freshmen in the showers in my basement a few years back.

¶**April 8**—The German classes sponsored a foreign film, "Emil and de Detective" at the junior college this afternoon. It sounded mysterious.

¶**April 13**—Five hundred seventy-five boys participated in the tenth annual Invitational track meet which Chaffey again won. I wish I could have seen the events.

¶**April 13-21**—Spring vacation is held—they tell me that only a few weeks are left before school closes.

¶**April 25**—Girls' league candidates for next year's officers were introduced at an assembly.

¶**April 26**—Chaffey glee clubs presented a colorful operetta, "The Flower of Venezia." Several noted people came.

¶**May 3**—A May day theme featured the last junior-senior dance of the year. I feel that my time is drawing near. As the new library and gymnasium mount daily, I remain a crumpled heap under their shadow, I who formerly rose majestically against the sky.

¶**May 17-18**—A greater Junior fair exhibited Chaffey as she is. Headed by the Future Farmers, all departments of the school participated.

¶**May 29**—The Richardson contest was held at the Memorial day assembly.

¶**May 31**—Juniors entertained the seniors this evening at a reception in the junior college patio.

¶**June 4**—Fastis were distributed today and my name and picture were in them. Strike me blue if I wasn't surprised!

¶**June 5**—School is out for another summer vacation. The memories of the past year are dear to me as I look into the future—a future in which a new Liberal Arts building will grace the Chaffey campus.

¶**June 6**—Tonight, I, a lone brick, lay and watched the class of 1935 graduate. With a sad feeling, I, too, graduated with the seniors—for I shall be here no more. Life is but a period of waiting—waiting for some friendly worker to send me to a brick pile. Perhaps I shall help build another edifice.
